

# Terrier puppy update ... come see him & his friends at a Boca Grande adoption event

■ *Waldo the terrier was found on Gasparilla Island a few weeks ago. He spent several days at the Boca Grande Fire Department waiting for his family to come claim him ... and sadly, no one came for this terrier pup.*

*The Boca Grande Fire Department contacted the **Rescue Garage** on March 29 to foster the dog and get him healthy.*

*Under the care of the Rescue Garage, the terrier was given the name of Waldo and received subcutaneous fluids to get him properly hydrated. He had three Elizabethan collars on when he was found (and he had hot spots on his back end, probably flea allergy dermatitis).*

*Rescue Garage clipped his hind end and started him on antibiotics. Waldo's looking great now and is looking for a home to give him love and continue his road to recovery.*

*Rescue Garage will be bringing Waldo back to Boca Grande on Saturday, April 16. Volunteers will be at **Gulf Coast International Properties**, located at the corner of 4th and Park Avenue in downtown Boca Grande from noon to 3 p.m. for an adoption event. Rescue Garage hopes that locals will come out to meet and greet Waldo as well as some other special dogs and pups. For more information, call (941) 777-4364.*
