ISLAND TIMES

Teacher Appreciation Week

The Island School teachers and staff would like to express our sincere appreciation for the generosity shown to us during Teacher Appreciation Week. It was a special and memorable week filled with treats and surprises each day, all coordinated by our amazing PTO and families.

The flowers, gifts, and sweet handwritten notes from students, delicious breakfast, lunch, and dinner delicacies all made us feel loved and appreciated. Special thanks to Mark and Ruthann Spurgeon for lunch from The Picnic Basket, and Mimi Carvalho, Osmar Orozimbo and Amy Wells for lunch from Mimi's 3rd Street Grille.

Thank you again from the bottom of our hearts!

THANK YOU!
