

THE BOCA BEACON AROUND THE WORLD

BY TERRY SEITZ

My daughter Stacy, Renata Dias and I had sat down to a quiet dinner close to the market place in Istanbul, when an Italian star soccer player arrived. All hell broke loose - it was pandemonium for the next hour.

Then, a father of two young kids asked Stacy if she could get his two kids a photo with Mario Balotelli (famous soccer player) as no one was allowed to pass into the restaurant. As we were on an outside table right on the walkway we were asked a hundred times to let people through, but the waiter told us not to let anyone pass. Stacy asked the waiter if she could bring the two kids to meet Balotelli and he said yes. Below the photo shows the kids and their father, who were so excited.
