

THE BOCA BEACON AROUND THE WORLD

■ BY TERRY SEITZ

Tbilisi, the capital of Georgia, (the country) is an ancient city too beautiful and full of character to miss in one's lifetime!

I knew immediately that I had come here for a reason - it is the first place on earth where wine was made, 8,000 years ago. A very nice bottle of wine at a great restaurant will set you back \$10 to \$30 tops.

It is a country of contradictions. I know every country has varying regions, but the beauty of the less-than-stellar parts of this city make it totally irresistible!

The two ladies pictured with the Boca Beacon are Stacy Seitz (my daughter) and Renata Dias.
