

Boca Grande's somewhat - but not always - accurate weather 5-day forecast

Friday 89/79

Sunny and humid, real feel 99. A resounding chorus begs for rain.

Saturday 87/79

Bang those bongos as this half-sun/half-cloud day may produce rain.

Sunday 88/80

Morning scattered T-storms, humid with a chance of piquant Pierrot mimes.

Monday 86/77

Slight chance of rain; humid and mostly cloudy.

Tuesday 84/78

More of a chance of rain. When the sun does come out ... look out.
