

# THE BOCA BEACON AROUND THE WORLD

■ Terry Seitz of Boca Grande travels the world for his furniture business and all summer he has been sending us photos from different locations. For this segment he visited Georgia (in eastern Europe). While some of his days there were a bit gray and dull, he did find some more colorful places with his daughter Stacy and Renata Dias (who works for Terry). Here are some photos from that.

■ 8,000 year old wine container found, Terry enjoying some recent wine.
