

PETS OF THE WEEK

This handsome pup is **Ace!** Ace loves to run and play. He prefers to be a solo pup in the household, so he can have all your love and head scratches. He loves going on walks and adventures! He is very smart and loves learning new tricks like fetching his toys from across the room.

Hi my name is **Maisey**, I am looking for my perfect forever home. I would be a great addition to your family because I love to give snuggles and kisses, I love to play with toys especially bones which are my favorite.

CATS

This sweet girl loves to get tons of vegetables like carrots and lettuce. She also loves to tease her sister whenever there is food around but also loves to cuddle up with her. Do you think that you could be the perfect snuggly home for **Nayla**?
