

# PETS OF THE WEEK

Hello there, I'm **Chingy**, and I'm on the search for my forever family! At the outset, I might be a bit reserved, but once we become acquainted, I promise to be your most loyal companion. I'm a big fan of doggie playdates, and have a ton of energy for playing with friends. Car rides? Count me in!

## DOGS

**DOG** is a huge lovebug who loves anything to do with tennis balls and any other toys. He gets along well with his fur friends and loves to play with them. He walks great on a leash and loves to have short walks so he can play with his tennis ball. **DOG** prefers to stay away from water just so he can sunbathe with his toys.

To visit these pets and their friends, come to Suncoast Humane Society at 6781 San Casa Dr. in Englewood, call (941) 474-7884, or visit humane.org.

This sweet boy loves to get any attention possible. He loves to get all the pets he can get. **Pumpkin** also loves to have toys around so he can constantly play. He is ready to find his forever home where he can get all the pets and attention that his heart desires.

## CATS

Little **Miss Zayda** is as sweet as candy. She can show you her independent side when she's had enough attention. A couple of ways to win her over are to scratch her back and give her treats, which she goes wild for. When she shows her mellow side, she is laid-back and a great companion!
