

PETS OF THE WEEK

Hey there! My name is **Pixie**, I'm sweet as can be! I am a very energetic girl that is best with an active family. I love to play with toys and I love going to dog parks where I can burn off energy, I also love to have a fenced up yard where I can just run around for hours on end! Come meet me any day of the week!

I know I have a famous name, (**Ashley**) but I am not one of the Olson twins! I am famous though as being the sweetest most amazing girl here at the shelter. So if you want a famous and sweet girl in your life, come meet me. I'm a laid back, couch potato. I won't pull on the leash - and I also like chewy treats and fluffy bedding!.

Hi my name is **Willow**! I am a little shy and like quiet houses. I usually hide at first but once you get to know me, I thrive on attention. I love to get treats especially if it's tuna juice. If I'm not playing with string, I can usually be found under a nice cozy blanket.

CATS

Hi I'm **Miss B**. I am no proper girl, but I am a playful one! I have special needs and require someone who is willing to take on a special girl like myself. I am FeLV positive, which means I have to be the only cat in your loving home. Trust me I will steal your heart.
