

# Pumpkin carving isn't just for kids!

There are many departments that make The Gasparilla Inn & Club run, and they all work together as a cohesive team ... until the pumpkins and the knives come out. Each department put their pumpkin to the test on Halloween day in The Inn cafeteria, with only three coming out on top. The large one in the middle, dubbed "Under the Sea," took first place. "Spa Pumpkin" (just below) and a colorful "Pumpkin Totem" (far left) also took prizes. Judges included Capt. Jeff Corkhill, Fire Chief C.W. Blosser, Will and Sarah Farish and Marcy Shortuse of the Beacon.
