

Boca Grande Fire Dept Fire Prevention Week

■ Boca Grande Fire Department ignites passion for fire safety at The Island School
 The Boca Grande Fire Department recently visited The Island School for fire prevention month for an engaging and informative fire safety presentation. On October 26, The Island School's Farish Hall and parking lot transformed into a dynamic learning environment, where students of all grades K-5 had the opportunity to learn about the importance of fire safety, prevention and the incredible work of their local fire department. The event not only captivated the students but also demonstrated the commitment of the Boca Grande Fire Department to keeping the community safe.
