

CLAP WAVE CHEER

IT'S A GRADUATION PARADE!

Wednesday, May 20th, The Island School will have a golf cart parade to recognize our 5th-grade graduates! Please join us in celebrating this milestone by coming by the school or setting up somewhere along the parade route between 11:45 am—12:00 pm and giving them a clap, a wave, and a cheer to show your support for all they have accomplished! Listen for the horns, they will signal our arrival!

We thank you in advance for helping to make this day a memorable one!
