

THE BOCA BEACON AROUND THE WORLD

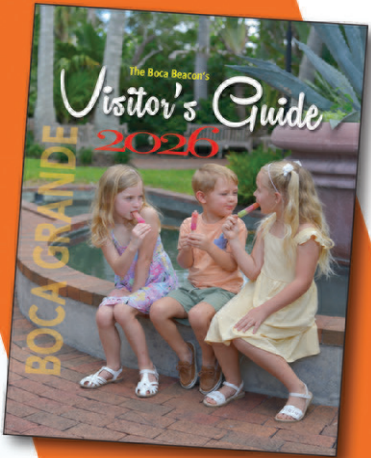

BY SHANE FOWLER
■ My wife, Sara and I visited Prague in late July to celebrate our anniversary. We also visited our son, Eli, who was completing a study abroad semester there.
The history & architecture there is amazing! We visited many castles, churches, gardens, museums, restaurants & pubs. We also did a day trip to Dresden, Germany.
The picture of me holding the Beacon is at the Prague Castle & Basilica grounds.
