

THE BOCA BEACON AROUND THE WORLD

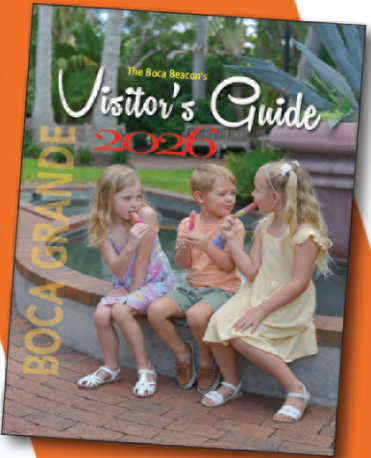

■ Mark and Suzanne Driscoll took a road trip through Europe this summer. New adventures at places they had not been before. Started in Varenna on Lake Como. Then a wonderful boat ride up Lake Lucerne with a stay in Lucerne. Up next was a stay in Salzberg Austria followed by a visit to Munich. Then off to Brussels which was wonderful, followed by a fantastic stay in Amsterdam.

Great meals and adventures all by foot, cab, train, boat, ferry, bus and plane. Met many wonderful people including a school group doing a scavenger hunt and an amazing boat guide in Amsterdam.
