Good morning, Mr. Reid

My apologies for not understanding exactly the placement of the handicapped sign.

Pamela

Hello Ms. Smith,

I have reviewed the information below and will make note of these sources for purchasing a sign.

However, the sign request in question is for handicap parking on the parking lane of a Lee county road and not on private property. Gilchrist Avenue is a county road and fronts the church property.

I have just spoken with Bruce Littleton, Lee County Chief Traffic Engineer, about this matter and he confirms the county controls the area where we are requesting a handicap parking space. He also told me he would get back with details on how we make this request.

Your prompt reply to my inquiry from this morning is appreciated.

Thank you,
Randy Reid

If they're only looking for one sign I'd consider ordering from an online source. Some Home Depot stores carry them as well or can be ordered.

Good Morning Pamela,

We do not supply signage for private properties. I can ask our sign shop who some manufacturers are that could potentially help them if you would like.

Rob

Good morning, Rob

We received a phone call from Randy Reid, Boca Grande Lighthouse Church regarding obtaining a handicapped parking sign for the church. Is this something LeeDOT would supply the church? Please advise.

Pamela
